Let us give the readers of the INDEdistrict attorney for the District of Columbia, and was mainly the invention of Dick weather is coming and with it colic, cholera Harrington, the assistant district attorney.
The district attorney at that time was Judge Fisher, of Delaware, whom President Harrison has just appointed to be first to keep some reliable remedy at hand, dent Harrison has just appointed to be first auditor of the treasury. As district attorney he was a mere figurehead, the work of the office being entirely in the hands of Harrington. This indicates how efficient an auditor he will be. Although he was not one of the conspirators, he was not entrusted with their prosecution. He was at no time taken into the confidence of the outside lawyers who were assigned to the work of prosecuting, and all his sympathies
